

Memorandum of Understanding (MOU)

This MOU is signed between Malaysia Pakistan Business Council (MalPak) and CFO Club on 23 April 2021.

Purpose of this MOU is:

- to achieve the goal of enhancing bilateral engagement of professional organizations and business interests between Malaysia and Pakistan.
- to develop and promote interests relevant to the accountancy profession in Malaysia and Pakistan in harmony with the objectives of the CFO Club and MalPak and to facilitate closer cooperation in commerce and trade between the two countries; as well as between the members of two organisations.
- sharing information relating to the business and professional interests in both countries.

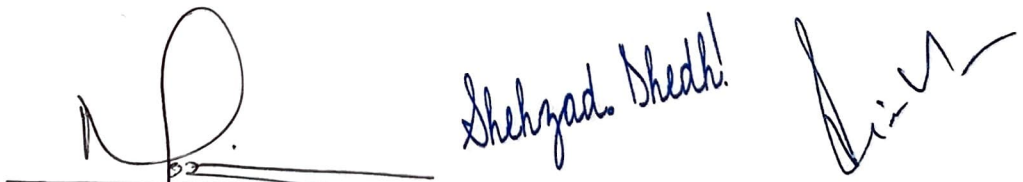

CFO Club can assist MalPak

- with increased reach in CFO Ecosystem, corporate sector and industries in Pakistan.
- Representation of MalPak in Local commerce and industry events in Pakistan.
- Joint series of webinars on trade and industry.
- Product and service promotional Offer of CFO Club may be made applicable for MalPak members

MalPak will provide representation to CFO Club representative in sub-committee. Role of such sub-committee(s) is advisory and consultative to the Executive Committee of MalPak. Such representative of CFO Club shall be a resident in Malaysia holding valid visa and shall be eligible to become member of MalPak. Such representative is not expected to be involved in decision making or active role in managing routine affairs of MalPak.

MOU may serve as a basis for making a formal contract later.

This MOU will be due for review after one year from the date of signing and it shall continue to be in force unless expressly terminated by either party.
