

HOSPITALITY TEXTILES & FABRICS

TRADE DEVELOPMENT AUTHORITY OF PAKISTAN

TDAP INTRODUCTION

Trade Development Authority of Pakistan is the premier trade promotion organization mandated to develop and promote products and services of the country in international markets.

TDAP implements policies and directives of Federal Government and its Board of Directors for enhancing, promoting and facilitating trade.

TDAP supports and facilitates businesses through latest information and capacity building initiatives to enhance and improve their leverage in international trade.

To achieve its objectives, TDAP organizes as well as participates in local & international trade fairs, country specific exhibitions, trade delegations, conducts seminars and organizes contacts and information exchange events both physically as well on digital platforms.

This publication is part of the efforts of TDAP to share details and showcase Pakistan's products and services in international markets.

WEAVING THE WAY TO SUSTAINABILITY

TEXPO INTRODUCTION

"Texpo" is the hallmark textile and leather exhibition organized by the Trade Development Authority of Pakistan (TDAP) to promote Pakistan's textile and leather industries. The exhibition serves as an excellent sourcing avenue for buyers to touch, feel and experience the quality products that Pakistan has to offer.

By extending its reach into the core textile and leather centers of Pakistan, Texpo since its launch in 2016, has played a central role in enhancing regional business connections and providing essential assistance to business enterprises as they embark on their journey into the global supply chain landscape.

PACKAGING & STORAGE

Packing of Home Textile's Products usually consists of a clear PVC bag or sometimes more environment friendly options are used. Elaborate Packing is done for gift or fancy items. The label inside the clear bag has a visual of the product inside to give customer an idea of the design and color coordination of components and final look. Language for care instruction varies from retailer to retailer, depending on the target market.
